\$5.00

A model assortment that will be a continual source of pleasure and profit to any purchaser.

25 EVERGREENS

Tell us what you would like to use them for—hedge, windbreak, grove or ornamentals—and we will forward an assortment or all of one variety which should do well in your section. These are all once transplanted and 4 years old. With reasonable care they are sure to grow.

\$5.00

A 50 Ft. HEDGE

We grow large quantities of hardy shrubs that are admirably adapted for this purpose, and will be pleased to quote prices or reply to inquiries regarding same. A hedge not only will add much to the attractiveness of property, but may be useful as a screen, windbreak or division. Many shrubs require little or no attention to keep them in the desired form, while others must be sheared. If you will tell us the length; height desired to keep same at; location or position, and class (evergreen, foliage or flowering), we will cheerfully suggest what we think would please you best. Plant most sorts about two feet apart.

\$5.00

25 Roses, Shrubs and Vines

These are thrifty 2-yr. plants and just the assortment that will please anyone interested in "dressing up" the home grounds.

\$5.00

30 Hardy Flowers

Consisting of many choice sorts of Peonies, Phlox, Iris, Hemerocallis, Daisies, Columbines, etc., which will come up year after year with added vigor and beauty to brighten your surroundings. Most of these will bloom the first season.

\$5.00

20 ORNAMENTAL TREES

A choice assortment that will prove hardy and desirable in your location. Easily worth three times the money for improving the premises.
